

MUNAY-KI

Nine Ancient Rites of Unconditional Love

These nine rites, gifted to us through the last descendants of the Inka, unlock and empower direct pathways of energy throughout your body.

They expand your heart and increase your connection to Spirit, Mother Earth, and the Wisdom-keepers and healers throughout the land.

Most importantly, they help you discard limiting beliefs and old stories to help you transition into the person you are becoming:

A luminous being of love.

ENERGETIC CODES FOR THE NEW HUMAN

The prophecies of the ancient Americas speak about this time in history as a period of great transformation, a time to make an extraordinary difference in the world. They foretell of a new human appearing on the planet – a person of wisdom and power who lives free of fear and resides in his eternal nature; accepting stewardship for all creation. The rites of the Munay-Ki are the energetic “codes” for this new human known as “Homo-Luminous” or “Light Being”.
